**ALIGNMENT** : NEUTRAL

**FACTION** : GREEN

**LEADER** : GREEN LADY

**MEMBERS KNOWN** :

**ALIGNMENT** : EVIL, NEUTRAL

**BENEFIT** :

All members of the Green faction can use the underground tunnels, that the Gnomes have made: to hide things, to travel to certain places without being seen, and to secretly communicate. The tunnels connect; the Lamp Post, the Witch's House, the Stone Table, Cair Paravail, the central plain, and the Shadow Lands.

## PERSONALITY

You appear sad, and depressed. That is not because you are particularly depressed it is just that Gnomes act that way. You like to think of yourself as mysterious and threatening .

## HISTORY

You are a Gnome from the Really Deep Land, the land of Bism, a land one thousand fathoms under the earth, a land of fire and stone, a land of beauty. The Gnomes of Bism have been in the employ of the Lady of the Green Kirtle, the Green Witch, for generations. The Green Witch is the ruler of the Shadow Lands, the lands just under the earth.

You are a loyal subject of the Green Lady. You are the head of her spies. You enjoy your work, in your own sad way, except for the fact that you have to go Outside, to the surface lands. She is attempting to take over Narnia, one of the surface lands.

You are newly arrived in Narnia, so you do not know the people or the places. You know that the White Witch has called a conclave. This will be a starting point for your spying.

You will pretend to be one of the Witch's loyal subjects attending the conclave. It is

## POSSESSIONS

Book written in High Narnian

possible that some people may have heard of Bism, so you are keeping your origins and your connection to the Green Witch a secret. So far no one seems to suspect anything.

You enjoy ferreting out secrets, you are skilled at it and take pride in your work. Most of the information you find, you pass onto the Green Witch to aide her. Some, however, you are looking for for your own ends.

You wish to learn High Narnian because one of your Gnomish underlings found a book in that language, while digging the tunnels under Narnia. If the book is not significant you will hand it to your mistress, if it is important you will have to consider your options. You would never be disloyal you your mistress, but you would not mind the Green Witch giving you more power and status in the shadow lands.

## OBJECTIVES:
