PERSONALITY

You have two personalities. One, which you show to the world which is sweet, kind, friendly, innocent and very young. The other is manipulative, aware, cunning, and very selfish. You are really only interested in yourself. You like the other three but that is really because you get your way with them all the time.

HISTORY

Peter is thirteen, Susan is twelve, Edmond is eleven and you are nine. You are staying at your uncle's house because you have been sent away from London because of the War. School is on holidays due to the bombing. It is very boring here. It always rains and there is nothing to do. Uncle Kirke is locked away in his study and the Housekeeper, Mrs Macready, is a real terror. You do not like her and she does not like you. The only other person in the house is a Cockney woman. You do not know why she is here but Professor Kirke gave her the run of the house and said to keep away from her.

You have found a strange world inside a wardrobe. It is a wonderful world there. Everything was covered in snow and it looked beautiful. You met the Queen, her name is Jadis. She was dressed all in white, and riding on a sleigh pulled by reindeer and driven by a friendly dwarf. She was beautiful. She was very surprised when she met you, she did not even recognise that you were a girl. You got to be good friends and she gave you some turkish delight to eat when you were hungry. She even let you hold her magic

On the way back to the wardrobe you met a faun, Mr Tumnis. He was very friendly and took you home for a cup of tea and some toasted marshmallows. Then he got very upset and started to cry. He said that he was a bad faun because he had thought of turning you over to the Queen for being a human. He got very frightened and took you back to the lamp post where the entrance to Earth is. You told him not to worry, that you were perfectly safe. You did not tell him that you had already met the Queen and that you got on famously.

When you got back, you told everyone about Narnia. You did not mention the Queen because she asked you to keep her friendship a surprise for the others. Edmond made fun of you and called her a liar. You got very upset about this. You do not like people to think that you lie, you are very careful never to be caught. To be called a liar when you are telling the truth is just not on. Peter tried to help as he always does, but even he did not believe you. In spite of that, you do like them all.
